```
<!--
```

```
Develop a web page for the interschool IT fair conducted by your school.  
The webpage should contain facilities to enter:  
* School name * User name * Password * Mobile no.  
It should also contain a button for saving and clearing the entered data.
```

```
Ensure that:
```

- * The data is entered in all the text boxes
- * The text box for mobile no. contains only numbers.

```
Write JavaScript for this validation.
